Before you begin

The Precinct Growth Grant Program (the 'Program') is an open, competitive grant program that provides funding to mature council-led and business-led Precinct Groups to strengthen precinct management and deliver place-based initiatives that support vibrant, safe and distinctive precincts.

Funding: The NSW Government has committed up to $5,000,000 (excl. GST) to the Program, offering grant funding of $100,000 - $160,000 (excl. GST) for accredited Purple Flag precincts, and $100,000 - $130,000 (excl. GST) for unaccredited Purple Flag precincts.

Multiple precincts: A maximum of one application will be accepted for each precinct area under the Program. If multiple applications are submitted for the same or similar precinct area, the relevant local council will be consulted for advice and, if relevant, the council-led application will proceed for assessment.

A Lead Entity can only represent one application under the Program, except for local councils, which can represent up to two applications for different precincts. Separate applications must be submitted for each precinct.

Please read the Precinct Growth Grant Program Guidelines and check your eligibility before applying.

Purple Flag Self-Assessment Report: Grantees representing precincts that are not Purple Flag accredited will be required to complete and submit a Purple Flag Self-Assessment Report by 15 December 2027 (unless otherwise agreed with DCITHS through the funding agreement process or a variation).
